## **Resurfacing, Pedestrian Improvements on Illinois 31 from Main Street to Maple Avenue**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Illinois 31 between Main Street and Maple Avenue, in Batavia and North Aurora, beginning, weather permitting, Tuesday, July 18. The closures are necessary for resurfacing and pedestrian ramp improvements along Illinois 31.

In order to complete the work, daytime lane closures will take place on Illinois 31 between Main Street and Maple Avenue when construction activities are taking place.

The scope of the project includes resurfacing, pavement patching and pedestrian ramp improvements. The overall project will improve mobility and safety for motorists and pedestrians.

The project is expected to be completed in Fall 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
